

QUALITY SYSTEMS
REGISTRARS, INC.

CERTIFICATE OF REGISTRATION

This is to certify that the management system of

Kaliburn, LLC., dba. Lincoln Electric Ladson

4130 Carolina Commerce Parkway
Ladson, SC 29456

has been assessed and certified as meeting the requirements of

ISO 14001:2015

This certificate of registration remains valid subject to satisfactory surveillance audits for the following activities:

The LE-LAD Environmental Management System applies to all organizational units involved with design, manufacturing and assembly of plasma cutters and machined parts for use with Lincoln Electric products. Additional functions within the scope of this management system include sales, warehousing and distribution of machined parts. The scope is limited to LE-LAD authority and ability to exercise influence and control.

Certificate Number:	QSR-EMS-106
Date issued	January 26, 2018
Date of certification	January 25, 2018
Valid until	January 24, 2021
